

HALLOWEEN SHOOT PREPARATION & REMINDERS

(AS OF 10/09/2025)

FILM SHOOT PREPARATION & REMINDERS

To help you and your child have the best experience on shoot day, here are a few tips and reminders: Bring your ****imagination****! Think about the kind of character you'd like to play - you can choose to be a ****protagonist (good character)**** or an ****antagonist (bad character)****. Costumes are ****optional**** - bring one if you'd like, or come as you are. Even simple accessories can add to your character. Bring a ****jacket**** or sweater, since it may get chilly in the evening. Consider bringing an ****extra pair of shoes**** in case it gets muddy or uncomfortable. A ****flashlight**** can be fun and useful, especially as it gets darker later in the evening. ****Snacks and water will be provided on-site****, but they may be limited and simple. Please feel free to bring ****extra snacks**** if you'd like more variety or have special favorites. You may also bring ****props**** if you want to enhance your character - nothing too large or difficult to carry, just items that add to the fun
